NEW LIFE ACADEMY
Doctor of Christian Leadership
CURRICULUM

The Doctor of Philosophy in Christian Leadership is a unique multidisciplinary program designed for those who desire to lead as Christians across a variety of church, ministry and other settings. The Christian leadership degree program equips you academically, spiritually and professionally to navigate the challenges of 21st century leadership. Enhance your administrative skills and knowledge. Transform your church or local community by developing effectiveness as a corporate or community leader. Learn the Christian leadership development practices necessary to guide others with wisdom in church and community contexts.

Program Objectives

- *To empower students for transformational leadership within their ministry context.*
- *To provide students with advanced competencies in organizational theory, management, and leadership skills in practice and in research.*
- *To enable students to integrate personal, biblical ethics, integrity, moral values and practice with sound management theory in leadership vocations including business, community, and faith-based service.*
- *To expose students to business laws that influence leadership, management, and financial practices.*
- *To enable students to demonstrate that ethics, integrity, and morality are in harmonious synergy with sound Leadership and Management theory and practice.*
- *To prepare students for advanced studies in leadership and/or professional ministry.*

Core Courses(5 credit hours each)

- i. *Leadership in Pastoral Care*
- ii. *Church Growth and Leadership*
- iii. *Graduate Hermeneutics*
- iv. *Cross Cultural Perspectives in Pastoral Leadership*
- v. *Counseling, Family Life, and Pastoral Leadership*
